SUBSTANCE OF INTERVIEW DESCRIBING THE GENERAL NATURE OF WHAT WAS DISCUSSED:

See Continuation Sheet

Part III.

- ☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner initiated interview suggesting an examiner's amendment including a restriction of independent inventions and distinct species, with cancellation of the non-elected claims in order to allow one set of claims already indicated as allowable subject matter. Applicant's representative agreed to the election of Group/species IA, claims 1-2, 4-14, and 16 with cancellation of all other pending claims in lieu of further ability to file divisional application(s) for the non-elected/cancelled claims and further expedite the allowance of claims 1-2, 4-14, and 16.
